Dear Loyal Customers,

We wish to thank everyone who assisted us! You have really helped us push ahead and move forward to reach our goal and resolve our problem. Your assistance kept the House of Khamit open and allowed us additional time.

Shout out and Black Love to all of our supporters! Our DC family and others around the country have truly come to our aid and we truly appreciate it. We are humbled by it.

We will be informing you when there will be another event in the coming weeks, with past lecturers and guests to speak about timely, newsworthy current events.

It will be a "Don't Miss" opportunity.

Peace & Blessings.

Raufu, Nia and Jaison

With our warmest regards,

Brother Mykiel Raufu-Bey and Sister Nia Barnes-Raufu
